

SimpliCastings®

NO ODORS • NON-TOXIC

PRODUCT FEATURES!

Indoor/Outdoor Use

For Organic Gardening

For Better Lawncare

Burn-Proof

SimpliGardening® SimpliCastings are made up

of 100% natural earthworm castings and are pH neutral and rich with beneficial microbes to help your plants grow in any indoor or outdoor gardens, as well as lawns. The worms eat through and refine the nutrients found in soil creating Earthworm Castings! Rest assure, the castings are pH neutral and rich with beneficial microbes to help your plants grow. No matter how much you add, your plants will never "burn". They work great in outdoor and indoor gardens as well as lawns.
